

LORD OF THE WORLD

(Written by Philip Stanley Klein)

Lord of the world, King of my life
Light of the world, change me inside
Make me as pure, as pure as You are
Wash me as clean as new, fallen snow

You are My Rock when sorrows fall
My Cup of Life whenever I call
And into Your Hands I place my soul
Lord of the World, make my life whole

Adon Olam, asher malach
B'terem kol y'tsir nivra
L'ayt na'asah b'cheftzo kol
'azai melech sh'mo nikra

And when this age ceases to be
You will still reign in majesty
You were, You are and You'll always be
All glorious eternally

Lord of the world, King of my life
Light of the world, change me inside
Blessed and praised and glorified
Lord of the world, King of my life
Lord of the world...you are my life
